

Facility Use Pricing Guide

Pre-registration is required for all visits to the Newport Sea Base.

OCBSA Units will receive a 20% discount on their group event.

GROUP RATE ACTIVITIES (1 BLOCK) <i>Pricing listed per 50-minute session / Maximum 10 participants per group</i>	GROUP PRICE Per Session
Dock Fishing - Ages: 6+ Join us on our dock to try your hand at fishing! We will teach you some fishing basics and provide the bait and tackle for your first experience dropping a line in the water!	\$150.00
Harbor Cruise - Ages: 6+ / *Maximum Capacity: 18 Hop aboard one of Sea Base's big boats and cruise the harbor with our Captain for a fun and activity-based adventure that includes birding with binoculars and looking for sea lions. Enjoy a scenic cruise with a splash of education and exploration!	\$270.00
Mariners Skills Workshop - Ages 9+ Practice several types of useful mariner knots and go on a scavenger hunt touring NSB in search of fun and interesting maritime items and equipment. Learn knots such as the cleat hitch, clove hitch, figure 8, and square knot and utilize them around the docks at NSB to help keep our boats safe and secure. Practice valuable skills with real life applications at the Sea Base!	\$150.00
Mini Sailboat Design & Regatta - Ages: 5+ Go mini sailboat, go! Design, test, and race in our 10 ft. inflatable Raceway. Make notes of performance and speed as participants first learn about the basic design of a sailboat. After observing trial boats and their speed, participants will design, measure, cut out, and color their own sails for their boat. Compete in a tournament style competition! Sails can be kept; however, the performance sailboat hulls must stay unless you bring your own boat kit to design and race.	\$150.00
Plankton Microscope & Dock Lab Life - Ages: 6+ Get hands on with microscopes, plankton nets, and dock life touch trays containing sea squirts, mussels, and many other types of plant and animal species. Depending on the season, you may be able to handle shore crabs and de-barbed stingrays. Students learn about the importance of plankton for humans and the aquatic food web.	\$150.00
Shark OR Squid Dissection (Choose one) - Ages: 8+ Calling all junior marine scientists! Dissect and learn about the anatomy of a shark or squid. Participants receive a workbook and utilize scientific tools such as scalpels and dissection scissors.	\$150.00

GROUP RATE ACTIVITIES (2 BLOCKS) <i>Pricing listed per 1-hour and 45-minute session / Maximum 10 participants per group</i>	GROUP PRICE Per Session
Canoeing - Ages: 6+ Learn proper techniques and strokes, as well as the specific parts of the paddle craft and paddle. Instructors will provide a guided harbor tour through popular routes or choose your own route with our instructors following closely behind. Participants 6-7 years old must paddle in tandem with a partner who is 11+ years old or a parent.	\$300.00
Kayaking - Ages: 6+ Learn proper techniques and strokes, as well as the specific parts of the paddle craft and paddle. Instructors will provide a guided harbor tour through popular routes or choose your own route with our instructors following closely behind. Participants 6-7 years old must paddle in tandem with a partner who is 11+ years or a parent.	\$300.00
